Introduction

The Cookies policy provides information on how EyeFG Limited (hereinafter the “Company”, “We or “Our”), store and access cookies through our website www.EyeFG.com (the “Website”). When displaying content, advertisements and other functionalities on the website, various technologies are used to collect and process personal data, including cookies. You will find details concerning this method of processing in this Cookie Policy. This Cookie Policy is intended to comply with Regulation (EU) 2016/679 (GDPR) and the Cyprus e-privacy framework, including the Regulation of Electronic Communications and Postal Services Law 112(I)/2004 (as amended), and any guidance issued by the Office of the Commissioner for Personal Data Protection.

This policy does not apply to website(s) operated by other organizations and other 3rd parties. By default, the cookie settings on our website are set to “allow all cookies”. By using our website, you agree that we may store and access cookies on your device. If you have any questions relating to the processing of your personal data, including cookies in connection with the operation of the Website, and to exercise your rights, you can contact us at info@EyeFG.com .

1 What are Cookies and what other technologies do we use?

Cookies are text files that are stored on your device to collect standard internet log information and visitor behavior information. When you visit our website, we may collect information from you automatically through cookies or similar technology in a way which enables the website browsed to save and identify the user’s browsing activity and individual preferences. In particular, cookies allow us to remember your settings, preferences, and your access data, provide targeted content and marketing communications, and analyse the operation of the Website. Cookies may come from us or from third parties whose services we use.

In addition to cookies, we may also process your IP address, which is a unique number assigned to a computer or other device communicating via the internet protocol, and analytical scripts, which are small pieces of a computer code through which users and their behaviour on websites can be tracked.

2 Why we use Cookies?

Our Website uses cookies to ensure the optimal functionality of the Company’s Website and cater our content to clients’ personal preferences. We do not link the information we store in cookies to any personal identification information you submit while on our site. We would strongly recommend that you allow cookies on our website to receive the best experience possible. Turning off cookies may result in reduced performance of our website and trading platform, however if you would still like to opt out of cookies, you can

do this through the website browser used. Our customer support team would be happy to talk you through this process if assistance is required.

3 How to manage your cookies?

Your privacy is important to us. You can, if you wish, set your browser to refuse all or some browser cookies, or to alert you when websites set or access cookies. If you disable or refuse cookies, please note that this may affect some parts of our website which may become inaccessible or not function properly.

Most browsers automatically accept cookies by default. You can set up your preferences on your device, in your web browser and also in your operating system.

4 What types of cookies do we use on our website?

We use the following types of cookies on the Website:

- **Essential cookies**

Essential cookies help our website to operate correctly and to respond to your requests. Without them the website would not work at all or as desired. Cookies in this category also help us maintain security of our services. They are always active.

- **Session cookies**

These cookies are temporary cookies as they are deleted as soon as you close your browser. Session cookies are used to retain the information you provide us with as you navigate through each section of our website. You can choose to decline session cookies via your browser's privacy settings but please note that this may have a negative impact on your browsing experience and particularly if these are declined across all websites.

- **Analytical cookies**

These cookies help us analyze how our website is utilized, which functionalities are the most used and where we can still improve. These cookies are optional, however, without them we will not be able to continue to improve your website experience.

- **Functional cookies**

Functional cookies record and save your choices in order to provide you a more seamless experience across our website. One-way functional cookies do this by remembering your language selection each time you visit us.

- **Third Party cookies**

These cookies are used by third parties and mostly by social media websites such as Facebook, Google+, LinkedIn, Twitter, YouTube or Live chat. Third Party

cookies allow us to offer you easy ways to share our content throughout your social media. Clients can disable the use of these cookies through their browser's privacy settings, but this will also disable all the functions described above.

- **Marketing cookies**

Marketing cookies are used by us and our partners to personalize the ads which may be displayed to you on websites or social media. We will not use these cookies without your consent, but without it, the advertisement you see will not be tailored to you.

5 What are your rights and how can you exercise them?

You can withdraw your consent to the processing of certain cookies by deleting them in the settings of your web browser. You can exercise other rights by sending a request to info@EyeFG.com .

6 Updates

The Company regularly reviews this policy, and any updates are placed on the website. You are encouraged to also review the Privacy policy for more detailed information on how we use your data.
